

# MARK CHRISTIAN E. LABUANAN

09273718144 | labuananmark21@gmail.com | linkedin.com/in/mark-christian-labuanan-96b20b32b

Quezon City, Metro Manila, Philippines

I am a 4th-year Computer Science student looking for internship with skills in SQL databases, RESTful API design, front-end development (HTML, CSS, JavaScript), and back-end development. Experienced in Python for data mining, such as clustering, model tuning, and computer vision with proficiency in building web applications using (Python, PHP/ Flask, Streamlit, Laravel). Knowledgeable in version control tools, including GitHub and Fork. Eager to explore emerging technologies to develop innovative solutions and enhance professional skills.

## Education Level

---

**Isabela State University-Main Campus, Echague, Isabela - San Fabian Echague, Isabela, Philippines**

Aug 2021 - Present

*Bachelor of Computer Science | Major in Data Mining, 4.25/4.5GPA*

- 1st Semester University Scholar, 2nd Semester College Scholar – A.Y 2021-2022
- 1st ,2nd Semester College Scholar – A.Y 2022-2023
- 1st, 2nd Semester College Scholar – A.Y 2023-2024

## Training and Seminar

---

- Web Application Security Testing Using Open-Source Tools – College of Computing Studies, Information and Communication Technology, Isabela State University – Main Campus, November 19, 2021
- Artificial Intelligence – Natural Language Processing Capacity Building Program, September 25-27, 2022
- CHED-LAKAS AI-NLP Capacity Building Workshop – College of Computing Studies, Information and Communication Technology (CCSICT)Isabela State University, Echague, Isabela, September 25-27, 2022
- Web Development Tooling: Front to Back - College of Computing Studies, Information and Communication Technology – Student Body Organization, May 18, 2022
- ASEAN Data Science Explorers, SAP Analytics Cloud, and SAP Build Apps - College of Computing Studies, Information and Communication Technology (CCSICT) Isabela State University, Echague, Isabela, May 31,2024
- AI Machine Learning: Regression and Classification – Mechatronics and Robotics Society of the Philippines, November 04, 2024
- TRUE Icon 2024: Talks, Research, Understanding, and Exchange International Conference with the theme "Adapting to the Changing Landscape Toward the Post-Pandemic Era" - Paper Presenter, November 6, 2024
- ICT Roadshow 2024 College of Computing Studies, Information and Communication Technology (CCSICT) Isabela State University, Echague, Isabela
- Huawei 9th ICT Academy Competition 2024 – Team Member, November 2024

## Organizational Experience

---

**Christian Brotherhood International - Evangelical Mission/ Isabela State University, Open Grandstand**

*Member*

Religious organizations that participate in not just religious activities but also voluntary activities inside and outside of the university.

- CBI College Department President, Receptionist, Preparation Team, Restoration Team

**ISU-E CHESS CLUB**

*Member*

The ISU-E Chess Club promotes chess at Isabela State University - Echague Campus, fostering learning, camaraderie, and competition. It encourages critical thinking, sportsmanship, and academic growth through practice and tournaments.

## Skills, Achievement, Other Experience

---

- **Non-Technical Skills:** Critical thinking and problem-solving | Adaptability | Flexibility | Effective time management | Ability to work in a team
- **Technical Skills:** HTML | CSS (Bootstrap)| JavaScript | PHP (Laravel)| Python Flask, Streamlit | MySQL, Apache | Docker | Source Control - Git (GitLab, GitHub, fork)
- **Language Skills:** Native Filipino | Conversational written and oral English
- **Achievements:** Academic Scholar | Huawei Certified ICT Associate in Cloud Service and Computing, November 2024 | Huawei Certified ICT Associate in Search and AI (CRA Training Program), November 2024
- **Interest:** Playing online video games | Playing puzzle games like Rubik's Cube and mind games such as chess | curiosity to explore new technology
